PRINCIPAL’S DESK

WHAT A FANTASTIC ASSEMBLY WE HAD ON MONDAY MORNING!

It was a real showcase of the variety of talent that we have at Scoresby Primary School – acting, singing and basketball.

I felt extremely proud of the students who performed in front of such a large audience – congratulations to all of you!

We look forward to sharing further talents with the community at assembly each Monday. This coming week some of the Level 4 students will be sharing their poetry. I know, too, that we will have many talents discovered during “Scoresby Idol” next week to then perform over several weeks at the beginning of Term 4. Please try and join us at Monday morning assemblies as we acknowledge our students’ talents and achievements.

LITERACY AND NUMERACY WEEK CELEBRATIONS

Our week of highlighting literacy and numeracy learning finished on a very high note last Friday as staff and students joined in our ‘Dress As A Storybook Character’ Day. We all enjoyed a parade on the asphalt area inspired by the creative imaginations that went into the outfits. Thank you to all who participated.
This is a very different staff photo to the one we had taken in March this year!

INTEGRATED UNITS FOR TERM 4

This week the teachers at each level planned together and have prepared some exciting units of work for the students. The Integrated Studies topics for Term 4 are:

- **Prep N & W:** "AUSTRALIAN ANIMALS"
  Home Sweet Home
  The students will be looking at the different Australian animals and their habitats. The things they need to survive in their environment and the effects of humans on their habitats.

- **1/2C, 1/2E & 1/2S:** "LET THE GAMES BEGIN"
  Commonwealth countries come together to play sport.
  They will look at the countries and sports involved, why we have the Commonwealth Games, the lifestyle of an athlete and how to improve their own fitness.

- **2/3A, 3/4A, 3/4G & 3/4W:** "THERE IS NO 'I' IN 'TEAM'"
  Teamwork and fitness require commitment.
  The students will look into the elements of teamwork in sport and life, different types of teams, repercussions of letting the team down, personal commitment and fitness and the power of positive thinking.

- **5/6C, 5/6D, 5/6J & 5/6S:** "ASIAN STUDIES - JAPAN"
  The Japanese culture is based on a rich history of traditions and customs.
  The students will be looking into a comparison of eastern & western countries, Japanese history, economy, culture and traditions. They will also compare similarities and differences in values and disciplines of Australia and Japan and how Japanese arts and crafts reflect the culture & traditions of the Japanese.

FINISHING TIME FOR END OF TERM 3

School will be finishing at 2.30pm next Friday 17th September as it is the end of Term 3. OSHC is available from 2.30pm if required. Please book at the office.

CLUBS IN TERM 4

We have had many responses to join the Chess Club next term but it is not too late to get those payments in. If you have misplaced your form there are more available at the Office. All forms and payments are due by the end of Term 3.

"Bop ‘Til You Drop" ran a free session last Monday at lunchtime and many students took forms home. We are sending home another copy of the enrolment/payment form with the eldest child today so if you are interested in taking part in Term 4 remember to send your form and payment in directly to Kelly Sports.

SAFETY WHEN WALKING TO SCHOOL

As the weather appears to be improving now that Spring is here, it is great to see more children walking to school again. We like to encourage students to walk or ride their bikes to school where possible as a healthy alternative to being driven. We are asking parents to discuss the following points of safety with their children if they are walking or riding to school, especially if they are unaccompanied by an adult.

- Try to walk to school at a time when many other children/families are also walking to school. Perhaps meet up with a friend and walk together.
- Use the most direct route to school from your home and do not detour or stop along the way.
- Be aware of the Safety Houses along your route and, if you ever feel unsafe for any reason whilst walking to or from school, remember that they are there for you to use.
- Always wear a helmet when riding your bike or scooter.
- Always cross roads safely; choose safe, clear places to cross busy streets and always use a crossing if available.

ASK “WHAT” NOT “WHY” WHEN KIDS ACT UP  
by Michael Grose

“WHY...?” “Why on earth did you do that?” Most of us have said this to our kids at some stage. They hurt a sibling and we ask, ‘Why?’ They argue and fight at the meal table and we ask, ‘Why?' They deliberately come home from an outing later than agreed and we ask, 'Why?’

This is a natural reaction. But often kids can’t articulate why they have done the wrong thing. Boys, in particular, will usually reply, ‘I dunno.’ They know something isn’t right, but articulating it is another matter. Besides, asking why is pointless. Even if they give you a reason for their poor behaviour (‘Cos she hit me first’, ‘I’m not hungry anyway’, ‘I was late because I lost track of time’) where do you go to from there?

Asking WHY kids misbehave generally closes down a conversation and puts kids on the defensive. There’s a better question to ask when kids behave poorly. Ask a question beginning with ‘WHAT?’

- WHAT were you thinking when you hurt your sister?
- WHAT were you doing when you decided to stay out late?
- WHAT was happening when you argued with your friend?
- WHAT should you have done when you didn’t want to eat and decided to annoy your sister?
- WHAT will you do next time when you feel like acting like that?
- WHAT do you think your brother meant when he said that you were......?
- WHAT will you do now to make it up to your brother?

These types of questions are reflective and restorative. They ask children to reflect on their thinking, their behaviour and the situation at hand. This opens up conversations that lead to learning. Some of the questions lead children to the important aspect of repairing or restoring relationships they may have damaged through their behaviour and so take some responsibility for the way they acted. Asking ‘What?’ when kids' misbehaviour impacts on others leads them further down the road from self interest to social interest.

**PERFORMING ARTS NEWS**

**“MUSIC – COUNT US IN!”**

I was very proud of the students last Thursday as they performed “Come Play Your Part” for “Music – Count Us In” 2010. Everyone sang with enthusiasm and enjoyment and it was wonderful to see our ‘lead singers’ step up so admirably. Try to get a copy of this week’s ‘Knox Journal’ local newspaper, which highlights the event. Congratulations everyone on your effort!

COLES SPORTS FOR SCHOOLS

HAVE YOU STARTED COLLECTING YOUR VOUCHERS FROM COLES WHEN YOU SHOP?

If not, now’s the time to start. And get the word around to your family, friends and neighbours too because we are on a mission to collect as many points as we can.

After 31st October, any points we have collected allow us to choose from a HUGE selection of sports equipment – and the more points we have, the more gear we get!

All vouchers can be placed in the collection box in the school foyer.

ALISON LANCASTHIRE, “Coles Sports for Schools” Coordinator.

SUSTAINABILITY NEWS

In Ms Wellinger’s ‘Sustainables’ group, we have discovered how much energy and water we have saved since 2009 until now. In the water department we have improved highly up until, as you all know, the water pump was broken.

We ask that whenever you go to the toilets or use the taps, that people think about how much water you are using. We also need to remind you of all the class checklists – remember to turn off the lights, computers and IWB (if you have one). If you have the heater on, make sure you shut the door. Thankyou.

"THERE'S SOMETHING FOR EVERYONE AT LITTLE ATHLETICS"

Welcome to the summer season of Little Athletics!! Fast approaching is registration day for Little Athletics and we would like to invite you to join us for a summer of fun, friendship and activity.

Winning is not everything at Little Athletics. The main emphasis is on participation and skills development. Children learn and practice the key skills of athletics through games and activities. It’s an ideal first sport for children. The running, jumping and throwing activities help develop balance flexibility and strength.

Our club is a family oriented club with children our primary focus. Our philosophy is to encourage kids to be the best, whether they are State Champions or newcomers to athletics.

At Scoresby Striders we provide an environment where both athlete and parent can feel comfortable and become a part of all that is going on. For our new members we set up a “buddy” (no matter what age group) so that they can learn the ropes and quickly become comfortable with the way the program operates. Our Under 7s (U7) are often mentored by the older athletes who help them learn different aspects of the events and also provide a “big brother/sister” for the season.

Scoresby Striders is one of eleven clubs and roughly 35 schools which comprise the Knox Little Athletics Club. We meet at the Knox Park Sporting Complex (Knox Park Road, Knoxfield) most Saturday mornings 8:30am to 12pm. Age groups range from Under 7 to Under 16.
We would love to have you as part of our Club.... Come and see us!

Registration Day: Saturday 11th September 2010 9am – 12noon
Knox Little Athletics Centre, Bunjil Way, Knoxfield (Melways 73, D7)
Cost: 1 Athlete: $180
       2 Athletes: $320
       3 Athletes: $415
       4 Athletes: $500

New members please bring proof of age (eg. passport, birth certificate, etc).
Cash, cheque, and VISA (with surcharge) payments accepted.
If you want to try it out before joining, come to our Try Out Day – 25th September 8:30am-Noon.
